

# How to Gyotaku

gyo = "fish" taku = "rubbing"

Basic steps to make a Gyotaku fish print.  
(Tips and details on back)

**Step 1:** Clean the slime off the fish.

**Step 2:** Dry the fish.  
Set the fish in position.

**Step 3:** Paint the fish with ink or paint.  
"Dab" the ink/paint.

**Step 4:** Lay the paper on the fish.  
Rub the paper on the fish.  
Pull paper off fish.

**Step 5:** Add detail to the print.
